

Rules For The Use Of The Pool/Whirlpool

- The whirlpool/swimming pool is an area for everyone to enjoy. Refrain from **intimate behaviour** with your friend/spouse. This is a family atmosphere park.
- Bathers must take a soap and water shower before entering the swimming pool/whirlpool. Parents should make sure that their children shower thoroughly.
- **NOTE: Do not use the whirlpool after applying suntan oil or lotion.** This product does not shower off readily and leaves an oily residue in the whirlpool. Please ensure all traces of body wash are removed before entering into the whirlpool.
- Parents must supervise their children when in the swimming pool/whirlpool area.
- Young children must not use the whirlpool due to the high temperature of the water. The whirlpool is 102-degree F and is NOT a swimming pool. Diaper-aged children are allowed in the swimming pool provided that they are wearing proper protection against accidents (swimming diapers etc.)
- No bathing suits are allowed in the swimming pool or whirlpool
- **No food or drink is allowed in the whirlpool room.** This is not a proper area for eating or drinking. **Absolutely no glass of any kind is allowed in the swimming pool or in the pool dome.** A broken glass/bottle is dangerous and would end the use of the pool for everyone. Do not use the swimming pool/ whirlpool when in an inebriated state. Alcohol and water can be a dangerous combination.
- Cover the whirlpool when you are the last person out. Please close the door to the whirlpool room upon entering and leaving. Help the staff keep the whirlpool/bathroom areas clean. Please avoid walking in wet areas with dirty shoes or feet. Please leave all footwear should be outside the whirlpool room.
- The **red button** located on the wall is for **EMERGANCY USE ONLY**. The green button will start the jets for 9-minute jet time and will shut off automatically.
- Rough behaviour, running and so-called "horseplay" is not allowed in the swimming pool/whirlpool.
- The pool dome is not equipped with lights. Swimming after dark is at **your own risk**.
- **No smoking** in the dome in accordance with the Ontario by-law.
- All swimming devices (ex. pool noodles, swimming wings) left in the pool area are not the property of Sunny Glades. Therefore, the park will not be held responsible for any misuse or accidents caused by use of these devices.
